

HIGHLY ABSORBENT & VERSATILE PROTECTION

HALYARD* Underpads

TRUSTED PROTECTION

FOR SURFACES & PATIENTS

SO YOU CAN CARE WITH CONFIDENCE

HALYARD

Looking for a product that's hygienic for patients, as well as soft and absorbent for patient wellbeing? A product that will protect all types of surfaces, linen and furniture in a variety of settings such as hospital, aged care, GPs, podiatry, chiropractic, veterinarian and obstetrics? A product that's versatile, waterproof and available in various absorbency levels?

OUR SOLUTION IS HALYARD* UNDERPADS

HALYARD* Underpads are constructed from a soft top layer and highly absorbent layers of tissue with a strong blue polyethylene backing that is quiet, drapable, and helps prevent strikethrough of liquid. Underpads are the ideal choice as a medical procedure underlay where fluids are involved, providing hygienic protection for patients and surfaces. HALYARD* Underpads also assist in reducing the time taken for staff to clean and change linen.

APPLICATIONS

- Protection for linen and mattress
- Bedsheet
- Light incontinence aid
- Chair and surface protection
- Pillow protector
- Underlay for dressings, procedures and surgical preparation
- Underlay for bedpan or cover to prevent splashing when removing
- Baby scale liner

Advantage*
HALYARD

Customers around the world choose Halyard Health because of our clinically-superior products, purposeful innovation, remarkable service and deep expertise.

It's what we call the HALYARD ADVANTAGE*

DISPENSING

Available in two levels; 5 ply and 8 ply, HALYARD* Underpads have a variety of applications including bed sheet / mattress protection, chair protection, pillow protection and bench cover.

• Inner poly bags – make it easier to store on shelves or on trolley, easier to divide up a shipper when smaller quantities are required. Each poly bag will have a label with a barcode, product code, product description and lot number allowing product to be identified easily outside the shipper. See below for packaging details.

• Easier to transport – no need to carry a large shipper, each poly bag can be transported throughout your facility.

PRODUCT INFORMATION

Code	Description	Size	Packaging
2765	HALYARD* Underpads 5 ply	39.5cm x 55cm	4 x 75 sheets per polybag 300 sheets/case
